# Background and Purpose

- Engage the ArchivesSpace membership community
- Peer-to-peer support between members
- Receive and offer professional insight, advice, and comradery
- Engage in exclusive events and enlightening discussions about ArchivesSpace and its active user community

Member Engagement sub-team of the ArchivesSpace User Advisory Council, with support from the ArchivesSpace Community Engagement Coordinator

# Responsibilities of Participants

- Communication will take place virtually with no expectation of in-person meetings
- Matches will conduct an initial meeting to lay the groundwork for the relationship
- Matches will determine a workable meeting schedule with their match based on availability, interests, and capacity.
- Matches will encourage each other to actively participate in ArchivesSpace member activities
- Matches will provide feedback and guidance regarding strategies, workflows, troubleshooting, and other application-related topics.
- Matches are willing to be transparent and open in communication, trustworthy, and confidential when necessary.
- Matches agree to follow the [ArchivesSpace Code of Conduct](#)
- Matches agree to notify the Member Engagement sub-team of problems and/or if they need to leave the program.
- Matches should try to attend as many scheduled Member Match events as possible

# How to Apply

- Anyone at a member organization can apply
- Beginning in mid-March, the application will be available on the ArchivesSpace Member Match program page: <http://bit.ly/2NBq9aL>
