ARTICLE I - PURPOSE
This document sets forth the governance structure to be employed by ArchivesSpace for sustaining the continued viability of ArchivesSpace open source archival management software and services and to ensure that ArchivesSpace continues to meet the needs of the diverse community of institutions holding archives, including small, independent historical archives; academic institutions; state, local, and national governance archives; and private and corporate archives.

ARTICLE II – FOUNDATIONAL DOCUMENTS
ArchivesSpace is governed by an agreement between New York University and the Regents of the University of California on behalf of the University of California, San Diego. This agreement (“the Founding Partners Agreement”), which may be amended and updated from time to time, provides for ArchivesSpace a membership-based governance structure, as set forth herein. All governance hereunder must be consistent with the Founding Partners Agreement for as long as that agreement is in effect.

These Bylaws implement a governance structure intended to meet the Founding Partners Agreement goal to ensure the ongoing viability of ArchivesSpace and the ArchivesSpace membership community. Any governance action undertaken pursuant to these Bylaws that could be detrimental to the fiscal stability or sustainability of ArchivesSpace will be subject to approval by New York University and the Regents of the University of California (the two universities hereinafter referred to as “the Founding Partners”).

ARTICLE III - MEMBERSHIP
Section 1: Qualifications. Membership criteria and categories are established by the ArchivesSpace Governance Board, as initially approved by the Founding Partners. Academic archives, non-academic archives, and free-standing archives are eligible for ArchivesSpace membership.

Section 2: Member Representatives. Each member institution (“Member”) is entitled to one voting representative to be designated by the Member. Any Member may, by written notice to the ArchivesSpace Program Manager, designate a new voting representative.
Each Member shall also designate a representative to serve as an operational liaison to the ArchivesSpace Organizational Home. This operational representative may be the same as the voting representative or a different person as determined by the Member.

Section 3: Powers Reserved to the Members. The powers reserved to the Members are the following:
1. To nominate and elect the members of the ArchivesSpace Governance Board
2. To nominate representatives to the Technical Advisory Council and the Users Advisory Council (see Article V below)
3. To vote on issues brought before the full membership

Section 4: Member Benefits. Members enjoy certain benefits such as access to community support services, special documentation, etc. These benefits are determined by the ArchivesSpace Governance Board and specified in the Membership Agreement.

Section 5: Voting Rights. Each Member’s voting representative is entitled to one vote in election of members to the ArchivesSpace Governance Board and on those issues brought before the full membership.

Section 6: Termination of Membership. A Member will be automatically terminated upon default in the payment of dues, fees, or charges fixed and levied in accordance with their membership agreements.

Any Member may terminate membership by filing with the ArchivesSpace Organizational Home a written notice of resignation signed by an authorized agent of the member institution pursuant to the terms of the membership agreement.

Termination of membership, whether by resignation or failure to pay dues, fees, or other charges will not relieve the Member of the obligation to pay any dues, fees, or other charges accrued and unpaid before the date on which membership is terminated. Upon termination of membership, Members will cease to be eligible for member benefits and their representatives will cease to serve ArchivesSpace in any capacity to which they have been elected or appointed.

ARTICLE IV - MEMBER MEETINGS

Section 1: Meetings. Meetings of the Members may be called upon due notice by the Chair of the ArchivesSpace Governance Board. Meetings may be conducted through telephonic or other electronic means.

Section 2: Notice of Meetings. Written notice, stating the day, hour, and purpose of the Meeting of the Members will be delivered electronically to each voting representative not less than ten (10) business days before the date of such meeting.
Section 3: Quorum. A simple majority of Member voting representatives will constitute a quorum. A quorum is required for the transaction of business at any meeting of the Members.

Section 4: Manner of Acting. At a meeting at which a quorum is present, the act of a two-thirds majority of the Member voting representatives present will be understood to be the act of the Members, except where otherwise provided by law or by these bylaws. The Members may take action on matters submitted to the Members electronically, such action to become effective upon receipt by the ArchivesSpace Program Manager of approval thereof by a majority of Member voting representatives casting votes.

Section 5: Proxies: A voting representative may vote by proxy at any meeting of the Members. The Member must identify a person to serve as a proxy in writing or electronically to the ArchivesSpace Program Manager. A proxy identified in this manner shall only be valid for the meeting for which the proxy was selected.

ARTICLE V - GOVERNANCE STRUCTURE

Section 1. ArchivesSpace Governance Board. The ArchivesSpace Governance Board provides overall direction for ArchivesSpace and ensures adherence to the objectives and guiding principles of ArchivesSpace. The ArchivesSpace Governance Board is also responsible for recommending to the Founding Partners membership fees and allocations of funds toward the ongoing enhancement of the ArchivesSpace software and services.

Board membership will consist of voting members as follows: five (5) elected members, one (1) from each of the five membership categories; and two (2) standing members: one (1) designated by each of the Founding Partners. There will also be one (1) ex-officio, non-voting standing member designated by the senior management of the Organizational Home.

Elected members shall serve for a period of three (3) years, renewable once, before term limiting off for at least one full year. Each standing or ex-officio member shall serve as long as they hold their qualifying position. An elected member may not stand for re-election to their original membership level if they have moved to an institution in a different membership category.

Annually, the Governance Board will select one of its members to serve a three-year term: one year as Vice-Chair, one year as Chair, and one year as Past-Chair. The Chair will preside over meetings and oversee the governance activities conducted under these Bylaws.
The ArchivesSpace Governance Board may elect or appoint other officers or liaisons as it deems necessary to ensure effective governance activity.

The ArchivesSpace Governance Board will have general authority over the Users Advisory Council and the Technical Advisory Council (see Sections 3 and 4 following).

The five members-at-large will be selected and appointed annually at the start of the nomination/election process.

The Nominating Committee will solicit nominees for the ArchivesSpace Governance Board to fill vacancies among the Member-at-Large representatives. The Nominating Committee will also solicit nominees from various membership levels for appointment to the Users and Technical Advisory Councils as needed.

Section 3: Users Advisory Council.
